## Ambassador Ito Naoki's Message for JUAAB AGM Newsletter on March 31<sup>st</sup>

Embassy of Japan  
in Bangladesh

### Message

*Ambassador of Japan*

I would like to express my sincere gratitude to all the members of the JUAAB for their invaluable effort and support to promote interactions and exchanges between Japan and Bangladesh since its establishment 21 years ago. The JUAAB's steadfast commitment and knowledge have helped us deepen our cooperation in education, arts, and cultural exchanges and establish more excellent people-to-people contact.

The JUAAB and the Embassy of Japan have always worked together to organize flag-ship events such as the Japanese Language Proficiency Test (JLPT) twice a year, the Japanese Speech Contest, and the promotion of "Study in Japan." I am pleased to share that 120 Bangladeshi students were awarded a government-funded MEXT scholarship in 2021, and there were 3,445 exam takers for the JLPT exam in last December. The JUAAB's outreach has encouraged many young people to grow deep interest in Japan and its language, culture, and society.

I am delighted to mention that this year is the 50th anniversary of establishing the diplomatic relationship between Japan and Bangladesh. We would like to make this milestone year a start of the new era of the Japan - Bangladesh bilateral relationship. To this end, Japan will make utmost efforts to deepen further the multi-faceted relations, mutual understanding, and exchange of the two peoples throughout the year. Japan is proud to stand by Bangladesh as a true friend. I call upon all members of the JUAAB to continue their unstinting contribution to enhancing academic and cultural exchanges between Japan and Bangladesh and bring our two peoples even closer. Let's join hands in further fostering our friendship and win-win partnership, looking towards the next 50 years.

ITO Naoki

Ambassador of Japan to Bangladesh

## Message from the President of JUAAB

During the end of Mujib Year, in the month of independence, and on the 50<sup>th</sup> anniversary of Japan-Bangladesh diplomatic relation JUAAB is organizing the 21<sup>th</sup> Annual General Meeting (AGM) on 31<sup>st</sup> March, 2022. Due to COVID-19 pandemic, for the last two years 19<sup>th</sup> and 20<sup>th</sup> AGM of JUAAB were held virtually. Moreover, due to COVID-19 pandemic, last two years JUAAB's activities were limited seriously like others. We are very happy that COVID-19 pandemic is almost under control in Bangladesh and we are gradually starting our normal activities. We hope COVID-19 pandemic will subside completely throughout the globe soon. AGM followed by cultural event and annual dinner is the most awaited event for the JUAAB members and I am expecting the great success of this year's AGM and other events.

JUAAB's objective was being conscious of the need for improving the bonds of friendship and amity between the people of Japan and Bangladesh on exchange of academic knowledge, socio-cultural understanding and mutual appreciation of our age-old heritage. Though the journey was not smooth but after 22 years, JUAAB has achieved an esteemed position, in not only strengthening bond and friendship between Japan and Bangladesh, but also in achieving self-sustenance. JUAAB started with a few members but at present, the number of members has risen to around 950. Presently, JUAAB has entered into a new era of development in every sphere of its working arenas by coupling the strength and expertise of JUAAB team and exploring available resources. By practicing democratic principles and norms, JUAAB has become the symbol of unity and strength that ultimately triggers these developments in a productive fashion.

JUAAB's Japanese language school has been running with pride and dignity, by producing qualified students, who perform well in JLPT, Japanese speech contest, VISA grasping and admission in Japanese university and Nihongo Gakko. Japanese language learning in the country has got a new impetus, because of the mentorship and support of the Japan Ambassador to Bangladesh, H.E. Mr. Naoki ITO. Through his generous guidance, even during the pandemic situation, last two Japanese Speech Contests have created lots of interest and enthusiasm among the contestants, while different Japanese companies co-sponsored the programs. The Japanese Speech contest is now very popular in Bangladesh and the quality of the contestants is improving year by year.

JUAAB is more vibrant now than ever before because JUAAB office has been shifting to its own office premise, a 4,000 square feet commercial space by DOM-INNO at 28, Indira Road, Farmgate, Dhaka. We have another 1138 square feet residential space named "Alami Apon Heights", Plot no. 27/1/B, Road-3, Shyamoli, Dhaka. JUAAB got registration from Social Welfare department and received the TIN certificate from National Board of Revenue (NBR). In the journey of JUAAB standing on own feet, one step and then another- to a strong footage now, the support of JUAAB members, the Embassy of Japan, Japan Foundation and the Ministry of Foreign Affairs (MOFA) of Japan are remarkably significant and JUAAB sincerely appreciates all those support. JUAAB is also dreaming to renovate and equip our permanent space with all modern facilities as "Japan Cultural Centre of JUAAB".

JUAAB expects continued support from all corners, the alumni, the Japan Embassy and Japan Foundation, to complete its mission of establishing JUAAB as a self-sufficient organization.

Thanking you all for your previous, on-going and future support.

# Editorial

It is our immense pleasure and great satisfaction to announce that we the members of the Research and Publication Committee have the opportunity to contribute to publish the “Newsletter 2021”. It is a great opportunity for me to write this editorial note as we are celebrating the 21st Anniversary of JUAAB and 50<sup>th</sup> anniversary of independence. It is worthy to mention that Japan recognized Bangladesh as a sovereign nation state on 10th February 1972. This year marks the 50<sup>th</sup> anniversary of establishment of diplomatic relations between the two trusted friendly nations. All over the world humankind has been suffering from Covid-19 pandemic since January 2019. More than 6.1 million people had died in six continents so far. In the previous years, due to the pandemic, we had to scale down many important programmes of JUAAB. This year, Government has removed restrictions on small scale public gathering. Therefore, we will try our best to continue some of our 21st anniversary celebration programs on 31<sup>st</sup> March 2022 following health rules.

We all know that JUAAB was launched on 29th September, 2000 with the direct help of the Japanese Embassy in Dhaka. The main objectives of this organization are to build friendship and strong network among the Bangladeshi nationals who earned their academic degrees from Japanese Universities. Besides, JUAAB is continuously organizing various programmes to promote and familiarize Japanese culture, education, social and moral values in our society. It has made remarkable progress over the past 21 years. We are the biggest non-political organizations with highly educated about 950 life members. Now, we have our own modern 4000 sqft office space, international standard Japanese language School, a small but vibrant management team along with elected Executive Committee and Advisory Council. We are regularly organizing Ikebana, SAFJUA, education seminars on Japanese education system, Japanese cultural programmes, conducting JLPT examinations, orientation for MEXT scholars, reception for return-ee graduates, donation for natural calamity affected people in home and abroad, Hiroshima- Nagasaki day observation, etc.

The current executive committee is trying its best to make JUAAB a unique organization in Bangladesh. In the last one year, though we were in Pandemic situation but we have successfully conducted many regular programs virtually. We believe through your active participation, JUAAB will flourish more and more in coming days. As like as before, we are requesting all of our new returnee potential graduates to become members of JUAAB and to help it grow with new ideas and activities.

We have tried to bring you more updates and write ups in the present issue. I hope you will enjoy the reading, and we are looking forward to receiving your critical analysis, suggestions, feedbacks and future contributions. We wish to express our heartiest gratitude to H.E. Mr. Ito Naoki, the Ambassador of Japan to Bangladesh, Japanese Embassy Officials, Alumni, Honorable Advisors, EC members, JUAAB office staffs, JUAAB Japanese school teachers and press personnel for their cordial cooperation and guidance to publish this Newsletter within a very short time. May Almighty save us all from this pandemic.
